

Ecological Transitions 2020

International Symposium on Interdisciplinary Research Ecological transitions into transactions and actions

Through the prism of ecological transition, 4 sessions :

Sustainable food - S1 Health-Environment - S2

Energy transition - S3

Collective intelligence: a vector of ecological transitions - S4

June 22-26, 2020, Toulouse J. Jaurès University

CERTOP & LISST laboratories and Réseau-Agriville association

Contact: camille.dumat@ensat.fr

<https://transitions2020.sciencesconf.org/>

Calls for papers - Sciences & Société, multiacteurs - Valorisation

Calendar :

-January 20, 2020,

abstract submission limit

-From March 2020,

program and online registrations

Free registration :

-For doctoral students

and Master 2 students

(subject to availability).

S1 Sustainable Food

S1-1 Urban agriculture, vector of ecological transitions.

S1-2 City-country transactions.

S1-3 Agroecology and support for changes in practices.

S1-4 Sustainable food policies and territories in transition.

S2 Health-Environment

S2-1 Crossed looks from the field to the laboratory.

S2-2 Environmental and health standardization of natural resources

▶ Pesticides, mining, urban agriculture, etc.

S3 Energy Transition

S3-1 Energetic efficiency : the smart city and its users.

S3-2 Energy autonomy.

S3-3 Energy sobriety.

S3-4. Accelerate the transition.

Collective intelligence: a vector of ecological transitions

S4-1 Organization of alternatives.

S4-2 Otherness as a driver of educational innovation.

S4-3. Urban Agriculture and social dynamics.

Presentations, exchanges around posters - **Science and Society** actions offered to the general public on June 25 and 26: conferences, site visits, films and round tables.

Social responsibility of the conference: enhanced **accessibility of resources** produced in collaboration with Koena and **low ecological footprint** of the event in collaboration with Ademe.

T2020 promotion with various media: rank A publications (Vertigo, ESPR, RAFE, etc.), conference proceedings, poster exhibition accessible to students, videos, creation of accessible educational resources in LSF.
